March 21, 2017: What is PTSD? Can it be cured?

Just what is PTSD? Depending on your generation you may not even consider calling this syndrome PTSD. There's a great stigma attached to these four letters. Is it a disorder or is it a reaction to a stressor? Can we remove that stress and the triggers, and then can we consider the problem cured? Join DrRed and two Veterans, one from Vietnam era and one Desert Storm era vet they debate this issue. They have both experienced PTS (D). One believes it's not really curable but possibly manageable, and one believes it's possibly curable but definitely manageable. Join us for this lively
